

THE VERY BEST ONLINE STUDY SUPPORT

THE FITNESS GROUP

STAGE 1: GETTING STARTED

After enrolment our Learner Support Team will call you and talk you through the welcome pack and how to get started.

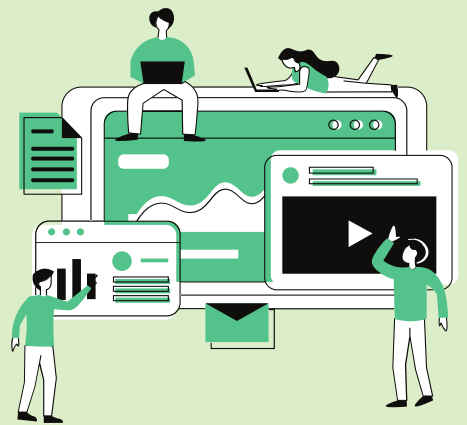

You will have an assigned Learner Support Coach and an assigned tutor. You will have a direct contact number for both.

STAGE 2: START STUDYING

Live Lectures, E-Learning & Online Coursework.

We have more daily live online lectures than any other provider in the UK. These lectures are also recorded. You will also have access to E-Learning so you can study at anytime of the day!

STAGE 3: ONLINE ASSESSMENTS

Your assessments can be taken online at anytime from the comfort of your own home! Before you sit any assessments you will have the option to practice mocks or practice mock exams in your own time.

Your practical exams can be complete via video when studying online, again at a time that suits you & from your local gym.

STAGE 4: BUSINESS SKILLS & CAREER SUPPORT

Ensure you are ready to undertake a successful career by attending our free Business Skills Accredited Course where we will discuss your brand and your business plan.

We will support you with a guaranteed job interview & free Graduate Starter Pack with tools like Discounted Memberships.
